

Lavandula Angustifolia 'Rosea'

This scented, evergreen rockery herb has a compact appearance when it is young, and becomes loose when it matures. It has aromatic, narrow grey leaves and medium-sized, light rose colored flowers. It grows up to 50cm (20") high and spreads to 40cm (16") wide. The plant is native to Europe.

Point of Sale:

Special Quality! 'Rosea' stands out in the garden for its free flowering habit and flower color.
