

Lavandula Stoechas 'Kew Red'

This tender perennial has round, compact growth habit. The plant has medium, carmine flowers with white "ears" and light green foliage. It grows up to 40cm (16") high and spreads to 30cm (12") wide. The plant is native to Europe and northwest Africa.

Point of Sale:

Special Quality! This is one of the most eye-catching French lavenders, due to its unique flower color.
