

Lavandula Stoechas 'Otto Quast'

This compact, evergreen bushy shrub has light green leaves. Its fragrant, medium, dark purple flowers appear along the 3cm spikes. The plant grows up to 90cm (36") high and spreads to 60cm (24") wide in diameter. It is native to Europe and northwest Africa.

Point of Sale:

'Otto Quast' is a true bedding type lavender. It flowers early and has a long flowering window. It is the #1 lavender in California.
