

Origanum vulgare 'Compactum'

`Compactum` is an aromatic evergreen perennial with cushion like growth habit. It has small, green oval leaves and white flowers. It grows up to 15cm (6") high and spreads to 20-30cm (8-12") in diameter. The plant is native to the Middle East, Europe and tropical Asia.

Point of Sale:

Special Quality. The plant is winter-hardy. Thanks to its compact growth habit the plant is excellent for pots.
