

# Rosmarinus officinalis 'Ingauno' Organic

This upright, aromatic perennial has broad, green leaves. The plant grows up to 100-120cm (40-48") and develops to 60cm (24"). The plant is native to Europe and North Africa. 'Ingauno' grows a little bit lower than upright blue but it is less sensitive to over water in the winter time.

Point of Sale:

This is a traditional perennial herb with many gardening and culinary uses. It offers additional flower colors to a rosemary corner.
