Ocimum basilicum 'Magic Mountain' TM Organic

`Magic Mountain` is a highly aromatic plant with upright growth habit. It has dark green, somewhat purplish foliage and high stems with dark purple flowers. It grows up to 80cm (36") and spreads to 30cm (12") in diameter. Due to its quick growth rate, it can be used for high stem (standard) culture.

Point of Sale:

This sweet ornamental basil is a fashionable patio plant for large containers. `Magic Mountain` is less sensitive to cold than regular basil.
